CBM Consulting

Training Workshop Series

Awakening the Academic Spirit in Black Students

by Sarah Frame
The Detroit News

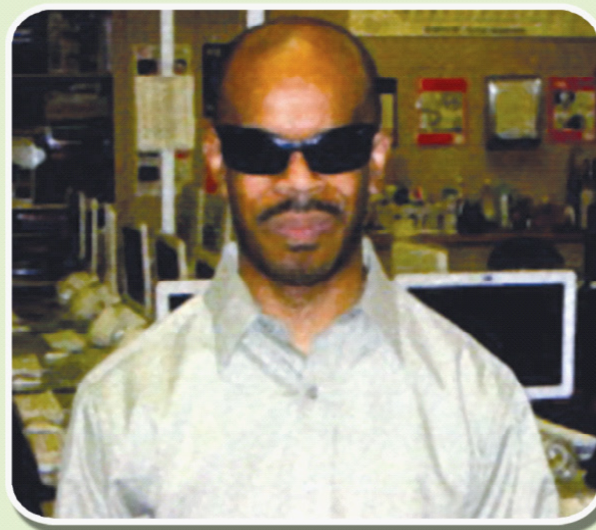

Staff Professional Development Workshops

CBM Consulting is the educational training arm of the Greater Detroit, Michigan Chapter of Concerned Black Men, online at: www.cbmdetroit.org. Our lead consultant is Educational Consultant, former Detroit Public Schools Secondary Social Studies Teacher, Male Responsibility Specialist, Assistant Director of the Greater Detroit Michigan Chapter of Concerned Black Men, Author of the insightful book "Raised Wrong, Educated Worse: Addressing The Troubled Behavior Of Our Sons," designer of the Advanced Model of Academic Achievement, and University of Michigan Alumnus Richard Clay.

Richard and our expert consultants offer a wide range of educational training workshops and programs for: teachers, parents, counselors, administrators, and students. All presentations include: applicable background information, statistics, handouts, visuals, activity worksheets, small group activities, recommended solution-oriented strategies, and time for questions and answers. Workshops span from 1 to 20 sessions. To schedule or inquire about any of these highlighted workshops, call: (313) 247-3301.

Enlighten, inspire, and empower your target audience through the following high-quality workshops and programs:
